ACKNOWLEDGEMENT

- I would like to acknowledge my parents, for supporting me with the class financially, Mr Ken for having time to set up this class, clevered, for allowing us to use their website.
- My mentors(Mani and Sonia) and lastly, friends like Clem who help me to complete projects when I miss classes.

ABOUT ME

- My name is Jason Nii Odenkey Mensah
- I am in the 7th grade
- I am 12 years old
- I would like to be a robotic engineer.
- I was born in Ghana on the 14th of May 2010.
- I love challenges.

INTERNSHIP WITH CLEVERED

- This internship has helped me understand coding better. I have enjoyed attending the classes and I learn something new each day.
- This Journey has been both exciting and challenging. I have also earned a silver badge.

ABOUT APP

- My app is a game called smash mania. It is a table tennis game which involves the user moving the mouse on the y-axis to play the game.

HOW DO I USE THE APP

- First of all, you will click the green flag. You then say play and then the ball will begin to move.
- You start to play the game by moving the player paddle in the y-axis (vertically) towards the ball to play.

OPTION NAME

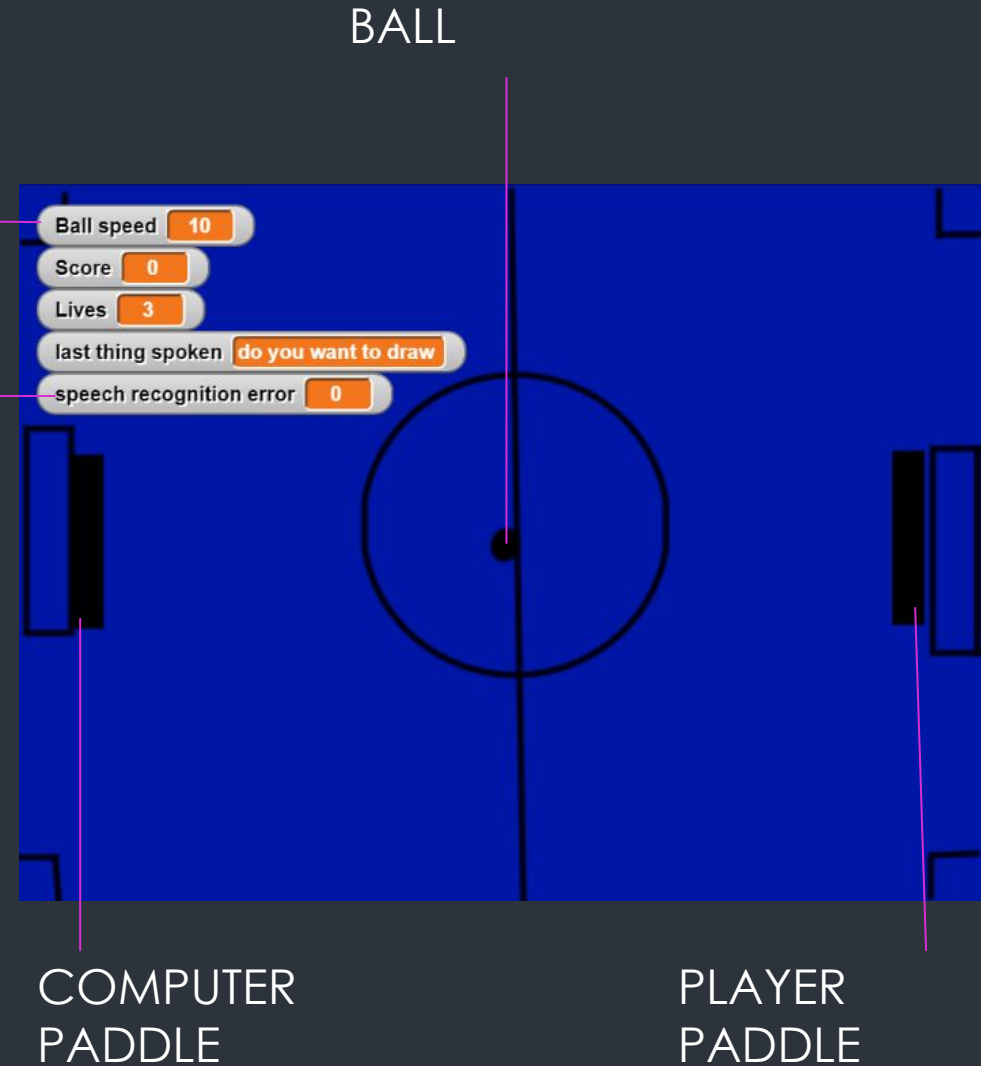

VARIABLES

VARIABLES: This refers to the values that keep changing.

COMPUTER PADDLE: It follows the ball's y-axis to play.

PLAYER PADDLE: It is controlled by the player's mouse by moving on the y-axis(vertically).

BALL: It moves about the screen for players to play.
